

A Bougie Bitch Production in Association with
Cappricielli Productions presents

Redflag(s)

Based upon the standup comedy of **Natasha Capp**,
expect an empowering, honest, hilarious and raunchy
explanation of dating **Redflags!**

Redflag(s) is the brain child of **Natasha Capp (Bougie Bitch Productions)** and is a compilation of her decade of standup comedy and dating experiences racked up during her formative years in Los Angeles and New York. Natasha is no stranger to the producing world having produced her own comedy show, **Marvelous Ms. Monday's** at the famous **Flappers Comedy Club** in Los Angeles where she shared the stage with some of LA's top comedy talent: **Mike Marino, Michael Lenoci, Jadred Sandler, Chris Roach, Craig Conant, Fahim Anwar, Jonathan Kite, Amir K, and Preacher Lawson!** A proud graduate of LIPA's MA in Acting, and alumni of **The Groundlings** in Los Angeles, **Redflag(s)** is Natasha's brutal examination of dating men while sending an empowering message filled with humor, wit, and ruthless honesty! Natasha has been hailed to have the looks of Elizabeth Taylor with the voice of Chandler Bing's girlfriend, Janice (Friends)! Natasha and her team are thrilled to present the world premiere of **Redflag(s)** in **Edinburgh's 2023 Fringe!**

Directed by her childhood friend, **Sasha Georgette, also an alumni of LIPA and Manchester University (MA Writing)** and sharing the stage with a fellow **LIPA** alumni, Yuvraj Bhatia. The creative team are ready to take the Fringe by storm!

Cappricielli Productions has produced live action content for the stage and film including **MarVista Entertainment's Four Cousins and A Christmas** starring **Robert Davi (Goonies, Die Hard), Teri Polo (The Fosters, Meet the Flockers)** and **Natasha Capp (Bougie Bitch Productions)** and the soon to be released feature, **The Lady of The Lake** starring **Seth Gilliam (Walking Dead), Nia Sioux (Dances Moms) and Natasha Capp**. Established in 2011 by Maria Capp and her daughters, Raffafela and Natasha, Cappricielli Productions empowers and collaborates with emerging and experienced storytellers in creating socially relevant content in a comedic, loving, and sometimes thrilling way. **Cappricielli** produced the one act play, **Pizza and Whine** which had its Los Angeles premiere at the **Hollywood Fringe Festival** in 2018 and its worldwide premiere at the **Hudson Theater's** in New York and Los Angeles. **Pizza and Whine** was adapted to the screen and became the successful Christmas holiday, family-fun feature, **Four Cousins and A Christmas**. Cappricielli and Bougie Bitch Productions are thrilled to combine their creative talents and present their first show at the Fringe.
